**BITS Edu Campus**

**BITS Edu Campus** established in 2004 by Shree Krishna Educational Charitable Trust, Vadodara, is located at Varnama on Vadodara-Mumbai NH#8, about 14 Km away from Vadodara. It is a self-contained campus on lush green land of about 27 acres of serene countryside and away from city environment.

The campus harbours Babaria Institutes of Technology, Pharmacy, BITS institute of Physiotherapy, Matrusri Davalba Ayurved Hospital and upcoming Krishna Ayurved Medical College(Proposed). In its journey of over a decade, it has established itself as a premier center for education in Bachelor’s and Master’s Courses besides research and industrial consultancy. The campus is cosmopolitan in character, truly global in outlook, yet deeply rooted to the traditions and values of Indian culture. Extra-curricular activities like sports & games, cultural & religious activities are encouraged for all round personality development of students. Over a span of 14 years, the developments at BITS Edu Campus have seen phenomenal growth which has endorsed the true visionary leadership and profound dedication of Shree Jagdishbhai Patel, the Founder President and Chairman and prime mover of the campus and Dhruv Patel, CMD BITS Edu Campus.

**VISION**

To be a World Class Institute par excellence.

**MISSION**

To uplift globally the Young-Brains with comprehensive knowledge & innovative skills.

We are in an era of rapid obsolescence in science and technology. Traditional education dynamics is in a state of flux due to global inventions and spurt in research and development.

At BIT in addition to academic excellence, our initiatives of adding multifarious skill sets in various streams, exposure to experts & leaders from different sectors of industry offer a great opportunity to see the outside world and enable students to build their repertoire.

Our continuous efforts to add to co-curricular skills for all round development helps students to be leaders as they step out in the new world.

INTERNATIONAL AFFAIRS

STRATEGIC GLOBAL ENGAGEMENT

BITS Edu Campus with its international Affairs department collaborates with partners across the world to produce groundbreaking research, deliver innovative teaching, and to create opportunities for students and staff to gain international experience.

We have embarked on the journey of creating international tie ups and specialized international certificate programs for our students seeking international career aspirations.

The vision behind cracking successful tie ups with universities like UCAM, Murcia Spain, University of North Alabama USA & Carleton University Canada, is to develop a much nurturing education eco system with right opportunities for deserving students.

At BITS Edu Campus with these special university tie ups we expose students to the opportunities of customised summer internship programs that is certified with good industry exposure abroad, along with exclusive benefits on entering at masters level with these universities.

SUMMER STUDY ABROAD

Study abroad and exchange programmes allow international undergraduate students to spend time in BITS Edu Campus, and BITS students to experience life at our tied up overseas university. Such exclusive tie ups with world renowned universities we are also working on Faculty exchanges and research collaborations that brings a much wider and deeper academic perspective to the institute.

We have introduced following Summer Programs:
- Fundamentals of 3D Digital Design and Additive Manufacturing, Spain
- Video Technology and Applications in Events, Spain
- Big Data Fundamentals and Applications in Bioinformatics, Spain
- Mechanical & Aerospace Engineering, Canada
- Waste Water Management, Canada
- Data Analytics, Canada

Post these successful initiations we are working on developing Tie ups at U.K and Europe that will be announced soon.
